

RAINBOW TRUST

SUPPORTING FAMILIES
WITH A SERIOUSLY ILL CHILD

On behalf of everyone at Rainbow Trust Children's Charity and the families we support, thank you for the generous donation of £300.00, which we received from your purchasing one of our charity Christmas ecards.

This amount could equate to over 11 hours of support to a family going through the toughest of times.

Thanks to the generosity of companies such as Field Systems Designs, we can ensure that the children and families who depend on us have access to the very best care possible. As you know, Rainbow Trust supports over 2,000 families in England with a life threatened or terminally ill child, by providing practical and emotional support when they need it most with our team of Family Support Workers:

"Families value the flexibility of support I provide. I've cleaned houses to ensure a sick child could return from hospital. I've helped a family find somewhere to live after being evicted and provided tissues when a mother needs someone to talk to. I do what is needed for that family." A Rainbow Trust Family Support Worker

We couldn't offer this vital support to families without your help, which is why your donation is so important; thank you again from Rainbow Trust.

Best wishes
